Spring 2016

SVCA neighborhood meeting:
Thursday, May 12th at 6:30pm
Bethany Church, 3910 Mineral Pt. Rd.

Greetings from the President:

Former president Ken Raffa told me once there wasn't much to filling the position! Six weeks in, I'm not sure I agree with him! Our secretary, Josh Arnold, had to resign recently. Thanks to him for all his efforts over the past few years (and for bringing us the custom-designed SVCA glasses, one of which I own)! Luckily, Anne Badey Raffa was willing to step into the position.

There's another ADU (accessory dwelling unit) proposed in the neighborhood (see article in this newsletter). The developer intends to file plans on the day I'm writing this letter; if that happens they will be reviewed by the Planning Commission on May 23rd. The proposed structure fits within the ADU guidelines an SVCA committee recommended last year, but I encourage interested parties to submit comments.

The officers of SVCA made a decision to not offer Bucky Books any more as a membership option because we didn't sell many and there are many other sources. We have also set up meeting dates for the rest of the year - May 12, August 18, November 17, all at Bethany Church.

There is a Midtown Police Station update meeting on April 14th (the day after I'm writing). The designers and police dept. have incorporated community concerns into the general site plans and I hope they will continue this trend as they move into the exterior and landscaping design phase. Updates on these issues and others will be posted to the listserv and Facebook.

The next meeting on May 12 will review the social events over the summer—Make Music Madison, July 4th, Ice Cream Social, and garage sale. If you have any suggestions for topics, let me know.

A New Sunset Village Scavenger Hunt!

submitted by: Andrew Bernhardt, editor at large

The weather is finally turning nice and what better reason is there to go out for a walk in your neighborhood. While taking a stroll in lovely Sunset Village, see if you can spot Sunset Village's Happy Hopper!

As always, it can be seen from public space and please remain careful and respectful of nearby plants; your neighbor will thank you! Email a photo of you with Sunset Village's little green grasshopper to Clark Kellogg, clarkkellogg65@yahoo.com, (Sunset Village's new newsletter co-editor) by July 1st to have your name and photo included in the next Sunset Village Newsletter!

SVCA March 2016 Quarterly Meeting & Neighborhood Affairs

source: notes by Josh Arnold, at <http://sunsetvillagecommunity.org/>

Newly elected SVCA President, **Sue Reynard**, presided over the March 7, 2016 quarterly meeting, which was attended by around 23 people. Sue presented her State of the SVCA and distributed a survey to gauge interest in neighborhood volunteering.

Treasurer Brian Andersen reported that the SVCA bank account balance is \$7,124. There are currently around 70 paid-up SVCA members, at \$15 for a yearly membership. In comparison, Westmorland has 500 members. Discussion followed about how to attract more members, how to make it easier to sign up, how to get more people involved.

Other topics of discussion included the Midtown Police Station, Friends of Hoyt Park, Owen Drive rain gardens, crimes of opportunity, road construction projects, emerald ash borer in Sunset Park, SVCA co-sponsorship of the Westmorland July 4 celebration.

Josh Arnold, newly re-elected as SVCA secretary, has resigned due to other commitments. **Anne Badey Raffa** has graciously stepped in as secretary until the next election. Thanks, Josh, for a great job with meeting notes, the Facebook page, the Hillside block parties, Sunset Village beer glasses, and everything else you've done.

Anne and Ken Raffa

A BIG THANKS to **Ken Raffa** for four years as SVCA president and for helping guide Sunset Village through the Hoyt Park Area Joint Neighborhood Plan process. Kudos. Keep coming to meetings, Ken, and going out for beer afterwards.

Welcome new newsletter co-editor, Clark Kellogg, who replaces the departed Andrew Bernhardt.

North Meadow Lane Accessory Dwelling Unit Proposed

Melanie Ramey of 217 N. Meadow would like to construct an accessory dwelling structure in her backyard to care for her disabled brother. Her contractor is Todd Seiler, NextStep Building & Design LLC, Blue Mounds, WI. Ms. Ramey and Mr. Seiler hope to have their proposal heard and approved at the May 23 Planning Commission public meeting; they are also working with direct neighbors to see if they have any issues. The proposed structure is 480 sq. ft, single story, with a 4 ft. porch.

SVCA President, Sue Reynard, wrote Todd Seiler, referring to a report that SVCA submitted last year to City zoning staff requesting changes in the ADU ordinances, “At least in terms of square footage, Ms. Ramey’s proposal fits within the requested guideline (which is smaller than the original city guidelines). I don’t know about the height and setbacks, but if your project meets those requirements as well, then you’re not only meeting the city guidelines but the requested neighborhood guidelines.”

Alder Tim Gruber writes, “The Plan Commission will approve or reject the Conditional Use Permit. There will be plenty of time for neighbors and the neighborhood to state support, opposition, or comment prior to and at the Plan Commission public hearing. My position is that because of the small size of this ADU and its location in the rear yard, it will fit with the neighborhood and should not be controversial.”

As with Sunset Village’s two previous ADUs, the applicant will post a yellow Notice of Hearing sign on the property at least 21 days prior to the public hearing. Comments should be directed to the City of Madison Planning Commission. Please cc SVCA President Sue Reynard, so she can keep track of the neighborhood's responses.

Bethany Bus Trip to Miller Park Brewer Game

submitted by: Glenn Kramer

Our single 2016 bus trip to Miller Park is scheduled for Friday, July 22, against the Chicago Cubs. This will be an exciting year for the BREW CREW as they work on getting new line-ups and work with many new names and several returnees. Sunset Village neighbors are more than welcome to join in the fun for the evening. Badger Coach Bus leaves Bethany Methodist Church at 3:55 p.m. and Dutch Mill Park and Ride at 4:15 p.m. Game is at 7:10 p.m. Seats are Loge Infield, second level, Section 225, Rows 15-18. Cost per person is \$73—includes game and bus, free Brewers T-shirt at Miller Park, gratuity for the bus driver. **DEADLINE DATE FOR YOUR RESERVATION: JUNE 27.** Contact Glenn Kramer, gkramer40@gmail.com, 608 661-0583 for info and reservation form.

Midvale Elementary Playground Renovation Fundraiser Events

submitted by: Erica Throneburg

Hello, neighbors! Fundraising for a new, accessible, fun playground at Midvale Elementary is ramping up as we head into what is (hopefully) the home stretch of this project. Our goal is to get the playground built THIS YEAR! We really need your help to make it happen. Please get these upcoming events on your calendar. Thank you! For more information on all our fundraisers: www.midvalelincolnpto.org/midvale-playground

Online Silent Auction, May 11-22: Bid on exciting items from a variety of local people and businesses! We guarantee that there's something for everyone. All proceeds will go to the playground project. Our auction will open at 7 a.m. on May 11 and end at 9 p.m. on May 22. Visit www.32auctions.com/midvale-playground

Midvale Mixer, Saturday, May 21: Come enjoy a fun night out for a good cause at Capital Brewery from 6-9 p.m., 7734 Terrace Avenue, Middleton. There will be music by **The Mannish Boys**, food, a brewery tour (with commemorative glass and 1 free beer), \$1 off beer, and fun! Proceeds benefit the playground project. Tickets are \$25. This is a 21+ event. Buy tickets at playgroundmidvalefundraiser.brownpapertickets.com

Let's Eat Out Food Carts, Tuesday, May 31, 5:30-7:30 p.m. on Midvale Blvd. near the playground

Mark your calendar for a delicious meal and fun time with neighbors! The food carts will donate 15% of their proceeds on this evening toward our efforts to replace the current playground with safe, fun, and inclusive equipment. We expect there to be 7-8 carts with food ranging from sliders to snow cones! Face painting and the MSCR Fit2Go van will help entertain the kids. They can also play on the current playground and it will be clear why this renovation project is so important for our kids and community. Rain date June 14.

Hillcrest Drive Trees—Celebration and Good-bye

Hillcrest resident, Kathy Germann, organized neighbors to bid farewell to the several trees scheduled for removal for road/water main construction. Kathy emailed, “As many of you know, the Hillcrest Dr./Cir. construction is currently scheduled to begin on or around April 11. While we have made valiant efforts to save the trees, some of them have been marked with the “yellow dot of death” and will soon be taken down. Several neighbors have been talking about our feelings of sadness & loss. As a result, we’ve decided to gather together to celebrate & appreciate the beauty of these trees.”

Friends gathered at 3:00 on two Sundays, 3/20 and 3/27 and decorated the trees with ribbon, yarn, baubles, pictures. People read poems aloud at every tree, including “Think Like a Tree” by Karen I. Shragg, “I Love a Tree” by Samuel N. Baxter, “Trees” by Joyce Kilmer, “The Heart of the Tree” by Henry Cuyler Bunner, “Growth of a Tree” by Meish Goldish, “Waiting for a Message” by Rochelle Mass, “A Blessing for the Woods” and “The Presence of Trees” by Michael S. Glaser, “Advice from a Tree” by Ilan Shamir, “The Tree” by Tom Splitt, “Trees Need Not Walk the Earth” by David Rosenthal, “Windy Tree,” “Trees” and “Open House” by Aileen Fisher.

He plants, in sap and leaf and wood,
In love of home and loyalty,
And far-cast thought of civic good

Make Music Madison 2016

source: Sue Reynard on SVCA Facebook page

Make Music Madison is reaching out to the neighborhoods as a reminder about the event on Tuesday, June 21 and an invitation to anyone who wants to host an event (it's easy to do!). Registration is open for the 4th annual Make Music Madison, the citywide outdoor musical celebration held on the summer solstice. Musicians of all ages, skill levels and musical styles are invited to perform. Last year 320 acts (nearly 1,000 musicians) played at 110 stages across town. Registration is free and easy, and offers performers a great array of venues to select from. Or join the fun by hosting a concert at your favorite outdoor space. Past stages include Bear Mound Park, Northside Farmers' Market, Michael's Frozen Custard, Hatch Art House, UW Memorial Union Terrace, Few St. Block Party, The Rigby Pub & Grill, Segoe Park, Hatch Art House, The Traveling Pontoon Stage, Bob & Nancy's Balcony, ZuZu Café, Prairie Unitarian Universalist Society, and Fire Station #3. Make Music Madison's online registration system makes it easy to find and book performers; there are no registration fees or city permits needed. **Registration is open until May 6.** info and registration at: www.makemusicmadison.org and www.facebook.com/events/761896857273925/.

We can thank Tim Gruber for Making Music in Lucia Crest Park in previous years. This year, as new alder, he has a City Council meeting. Tim says, "It is not a whole lot of work. It involves a few minutes signing up the venue on the Make Music Madison web site, a reasonable amount of time in accepting or rejecting musician requests and lining up neighborhood musicians. I can help you with all the steps. Let me know if you would like to organize this fun neighborhood event." Tim Gruber (608)338-3840

Make Music Madison at Bethany

submitted by: Linda Holthaus

On Tuesday, June 21, the front lawn of Bethany United Methodist Church, 3910 Mineral Point Road, will be one of the venues for Make Music Madison from 4-7 p.m. A variety of musical groups will perform including the New Horizons Band. There will even be hot dogs, chips and lemonade. It's all free and you can come and go as you please. Bring your own lawn chairs or blankets and join in the fun! In case of rain we will be in Fellowship Hall.

75th Annual July 4 Celebration at Westmorland

By Dave Blouin, Westmorland Neighborhood Association

Westmorland's signature event is expanding to make the 75th Anniversary of our July 4th party a special celebration. We're really excited that Midvale Heights and Sunset Village are rejoining as co-sponsors this year—reviving a tradition from years past.

New this year is a potluck and big band concert from 5-9 p.m. on **Sunday, July 3** at the park featuring the band Dimensions in Sound. Author Sarah White will give a presentation on Westmorland's history during intermission.

We're considering adding vintage cars or other vehicles to the parade and for display. Please let me know if you're interested in showing off your classic! The parade includes Boy and Girl Scout Troops, the Westmorland Walking Band, and kids and families are encouraged to decorate their bikes, strollers and more in red, white, and blue. We expect to have a band on the 4th and, as always, there are tons of fun kids' games **plus we've added a dunk tank and bounce house for this year's event.**

Details are still being planned. We hope to have some friendly competitions between the neighborhoods plus bring back games and events from past July 4th celebrations to honor the 75th Anniversary. Watch for updates and details on your neighborhood listserv. We'll also post all updates to the Westmorland website at westmorland_neighborhood.net. Many neighbors have stepped up in the past—and this year we will need more volunteers than ever! You can volunteer for a listed task or just send me your name and available times and we'll assign you a task. Example volunteer opportunities include:

- Bring baked goods for the Cakewalk
- Run kids games including field games and races
- Help organize and/or bring items to the July 3 potluck
- Parade marshals
- Sell game and raffle tickets
- Call volunteers
- Decorate and setup tents on both July 3rd and 4th
- Refurbish and/or build new kids' games
- Help recruit business sponsors

Please contact Dave at burroak15@gmail.com or 233-8455 to volunteer or learn more and help make the 75th Anniversary July 4 Celebration a success!

Mid-Town Police Station Neighborhood Meeting

Madison Police Department representatives and architects, Enberg Anderson, presented an update on the Mid-Town Police Station project (located at the site of the former Mt. Olive Lutheran Church) on Thursday, April 14, at Our Lady Queen of Peace Church. This meeting provided an opportunity for residents to hear about the project, ask questions and provide input. Designers presented preliminary site plans and the first external renderings.

Points of interest include:

- The big tree near the corner of Mineral Point and Westmorland will be saved.
- The project will restore the native slope and grade, which was raised to accommodate one of the church entrances.
- Landscape design calls for native plantings in front, including grasses and redbud trees.
- Lighting will be Night Sky compliant.
- The design includes bioswales for storm water.

CITY OF MADISON TRAFFIC ENGINEERING

From Tim Gruber, New District 11 Alder

Dear Neighbors: I am your new Alder. I say “your Alder” because I am here to serve you and I am a Sunset Village resident. I live at 513 North Owen Drive, across the street from Lucia Crest Park. On March 1, the Common Council appointed me to fill the vacancy of district 11 Alder, until the election in April 2017. As I stated in my application for the position, I have no intention of running in the next election. I would like to thank Chris Schmidt for his dedicated service for the last seven years. Important issues for District 11 include the reconstruction of streets in Sunset Village, the design and construction of the Midtown Police Station on Mineral Point Road, the relocation of the Sheboygan Community Gardens, and the redevelopment of the Hill Farms State Office Building site. A little about me, I was born and raised in Madison, in the Vilas Neighborhood. I attended Randall Elementary, Van Hise Middle School (now Hamilton), West High School, and UW-Madison. My mom, Bonnie Gruber, was an Alderperson on the Madison Common Council, serving District 13, from 1977 to 1979 and from 1981 to 1985. I was Alderperson for District 11 from 2005 to 2009. I learned so much from that experience, including learning from my mistakes. I am a music teacher at Midvale Elementary School. I have two children, ages 8 and 10. I enjoy spending time in our parks with my children and doing many outdoor activities. I enjoy reading, music and art. I like watching my son's soccer games. I look forward to meeting you and hearing your opinions. Please email me at district11@cityofmadison.com or call me at 338-3840.

UW-Madison Campus Master Plan

The UW-Madison is in the process of updating its Master Plan. Once the plan is completed and approved by the Madison Common Council (tentatively scheduled for November), the plan will serve as the guiding document for zoning under the Campus Institutional district in the City of Madison's zoning code. Community Gardens in Rennebohm Park

The Sheboygan Community Gardens, formerly located on State property at the Department of Transportation at Hill Farms, has been approved by the city for a permanent garden located to the east of the tennis courts in Rennebohm Park. The garden in Rennebohm will be about one-third the size of the former garden on the DOT site. The City, Sheboygan Gardens, and Community Groundworks are in the process of finding permanent location(s), including and in addition to the Rennebohm site that will be developed this year, that will be equal to or greater than the amount of land and plots that the garden had at the DOT site.

It's Back-Garlic Mustard in Quarry and Hoyt Parks

submitted by: Liz Vowles

Garlic mustard is starting to grow in our parks and woods. Garlic mustard is a biennial herb that invades and spreads rapidly in wooded areas, such as Quarry Park; the DNR terms it "ecologically invasive." Garlic mustard is most easily recognized when it blooms in early May, and is controlled or eradicated by pulling in April and May, before it goes to seed. It can be identified by its cluster of small white flowers at the top and its round toothed leaves. If your yard backs onto Quarry or Hoyt Park, please help by pulling the garlic mustard in your purview—and don't pile brush over garlic mustard stands! And anywhere you live, please pull garlic mustard in your yard—the small seeds are spread into our natural areas on our shoes, bike tires, or dogs' paws. If you let your dog off-leash in Quarry Park, you bear an obligation to pull some of the garlic mustard that Fido spreads off the paths. Plants should be pulled getting the entire root and then bagged for disposal; un-bagged plants may still form seed from the flowers. 2014 Hillcrest Drive Shooter Sentenced to Prison

source: *Madison.com*

Sean Z. Watkins, 23, was convicted of armed robbery, first-degree reckless endangerment, and theft for the November 10, 2014 shooting of Jamal Scott in the 3900 block of Hillcrest Drive. He was sentenced in March to seven years in prison and five years of extended supervision. Watkins and two other men had gone to the Hillcrest home to steal money and marijuana, and Watkins shot Scott as he tried to flee; the bullet went through Scott's arm and into his abdomen. In April 2015 Jamal Scott and another man were arrested on suspicion of armed invasions of three west Madison homes, one in Westmorland, another in Hill Farms. According to MPD Captain Victor Wahl, the two men have been charged with multiple offenses, but the cases are still open.

Midvale Plant Sale

source: *Julie Gentz, Westmorland Neighborhood Association website*

Saturday, May 7, 8 a.m.-noon, Midvale Elementary School, 502 Caromar Drive

Think green! It's almost time for the annual Midvale Elementary School plant sale, sponsored by the Midvale School and Community Gardens and the Healthy Lawn Team. Local gardeners will be donating perennials, ornamental grasses, herbs, and other delightful plants to add to your home's beauty and value. Proceeds from the plant sale will be used to further our work in the school garden and to help the Healthy Lawn Team spread the word about safe lawn care. What a wonderful way to celebrate the diversity of the Midvale community!

Sunset Village Neighborhood Yard Sales

It's that time again... time to clean out those closets, basements, and garages! Turn your trash into someone else's treasure during the Sunset Village Neighborhood Yard Sales! This year's sales will be July 29 and 30; households are welcome to participate both days, or just one. We'll once again be creating a map to help shoppers navigate the sales. If you'd like to be included in the map, please email Amanda Struckmeyer at amandacross@

UW Campus Master Plan Update

source: UW Campus Master Plan press release

On April 13 the University of Wisconsin-Madison held its fifth in a series of public open houses regarding the 2015 Campus Master Plan Update project. The master plan team presented the revised preliminary plan, which focuses on the vision and broad recommendations organized around the Master Plan's six major goals: **supporting the university's mission; managing resources; celebrating the lake side setting; making travel easy; revitalizing outdoor spaces; and being good neighbors.**

"We are very excited to share our developing plans for the future of the campus's physical environment with the broader campus community, especially the campus landscape and storm water management recommendations," says Gary Brown, director of Campus Planning & Landscape Architecture. "This is a great time to offer your input and thoughts on the draft Campus Master Plan and we welcome everyone's involvement."

Input received at the open house will help guide the consultant team in development of the "Draft Final Master Plan," which is scheduled for public release, and review by the City of Madison, in the fall of 2016. You too can have FUN with all this planning stuff by visiting the Campus Master Plan interactive website at: <http://masterplan.wisc.edu/> and clicking on **Engage Now!** Look at cool maps and renderings, add your two cents.
